

'Round The Rim

The Rockville Centre Boys Basketball League's Annual Holiday Tournament is over—it was a tremendous success and a great time was had by all—the boys who participated, their coaches, and the parents and friends who came out in goodly numbers to cheer them on. The League would like to express its thanks to Phil Geyer who, besides serving as one of the secretaries in the League, coaching a team in the Junior American Division, acting as Business Manager of the Senior Traveling Team, did a fantastic job of making all the necessary arrangements for the Holiday Tournament this year. Thanks are also given to the Tournament sponsors—Rockville Centre Rotary Club, Lions Club and Youth Association—to Bill Cook, Director of Recreation for the Village of Rockville Centre and his marvelous staff, and to Leonard Sandel, Village Trustee for his interest and cooperation.
