President's Message - - - -

The 1974-75 Rockville Centre Boys Basketball League season is drawing to a close. We hope each and every boy who has played in the League has found it a rewarding and enriching experience. This marks the end of the 20th year for the BBL and all of us look forward to many fruitful years to come.

I would like to take this opportunity to express my appreciation to the Officers and Board of Directors who have served with me during this past year. Also, I want to thank the coaches for their dedicated work with the boys in their charge. As always, we have received the full support of the administration of Rockville Centre School District No. 21 - a special thank you is due Mrs. White, of the Administration Office who helps arrange for our use of the various school facilities for our practices and games. Thanks also to the Village of Rockville Centre and to Bill Cook, Director of Recreation, and his staff for their cooperation. And last, but far from least, our sponsors without whom our program could not exist. These businessmen and community organizations through their sponsorship of our teams (there are 32 teams in four divisions plus our Freshman Division) really have the interest of the youngsters of the village of Rockville Centre at heart. We hope you will show your appreciation by supporting them whenever possible.

My thanks to all of you for making this such a great year for BBL. Have a good summer and we look forward to seeing all of you next fall.

Sincerely,

Iwing Matloff
